Which were the main topics of 2022 in the Iberian Energy Sector?

Well, let me tell you, with the Aurora Iberian Energy Market Unwrapped 2022! 🎉

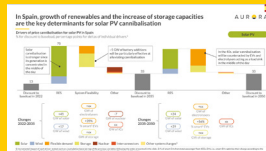

Since the #energysector kept us really busy this year, it wouldn't be fair to let it go without our goodbye! 🥳

I've decided to use my Commercial position to get things started and share the TOP 5 FAQs from our Subscriber! (Don't worry, it's free of charge)

Introduction + Top 5 FAQ

**Alejandro Zerain**

Cannibalisation in Iberia

**Guillermo Marquez**

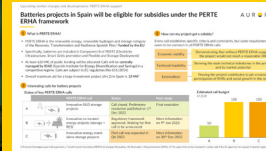

The regulatory framework for storage has been amended over the past 2 years, but there are still policy and regulation barriers to be addressed
